

Governor's Games: Gym Protocol and Restrictions (SUBJECT TO CHANGE)

All gyms require that everyone {players, coaches, spectators, refs, vendors} **wear a face mask** that fully covers the mouth and nose at all times. Face shields and neck gaiters do not count as a face mask. The only exclusion is when players are actively playing on court. Players and coaches on the bench need to wear masks. Refs have been instructed to inform coaches at beginning of match to remind their players and parents to remain masked at all times. Match will not start if everyone is not masked. If players, coaches or fans remove their mask during the game, **the ref will stop the match**. If you **can't or won't wear a mask, stay home** and watch games on BallerTV. Visitors must practice social distancing {6ft.} at all times.

Outside food, drink, coffee, water are prohibited at all sites. {Only players can have water bottles on the bench.} Some gyms have concessions open and some are not open. Check below for your playing site. **Folding chairs are not allowed** in any gym.

We are using 7 gyms spread over 3 different parishes and **each gym has their own COVID restrictions** in addition to the **city/parish/state mandates**. Each gym will accommodate only a certain number of spectators. We are using an "Entry Ticket" system to keep a correct count of number of people in each gym. All players, coaches, refs and spectators need an Entry Ticket to get into gyms. **No Entry Ticket – No Entry!**

Coach/team rep will **pick up their team's allotment of Entry Tickets** at Hilton's Churchill Room on 2nd floor at top of escalator near elevators. They must wear masks and practice social distancing {6ft.} while at pick-up.
